

## **STATUTE AND RULE INDEX**

*The Statute and Rule Index is arranged numerically. Idaho Code sections appear first, the Idaho Personnel Commission Rules second, and other statutes and rules following. The left margin contains the number citation of the statute or rule, and immediately below and indented appear the citations of 1999 Commission decisions which have cited the statute or rule. Please note that due to changes made by the 1999 Idaho Legislature, the Rules of the Division of Human Resources and Personnel Commission may now be found in IDAPA 15.04 rather than IDAPA 28.01, where the rules were formerly found. No substantive changes were made to any of the rules cited below. Because this change took place July 1, 1999, the majority of cases found in this Reporter will cite to the former rule. For ease of reference, the former rule is listed, with the current citation following in parentheses.*
